Terror Trek

Horror Returns to Rochester Woods

Have you ever walked in the woods by the light of the full "Hunter's" moon? Have you wondered what things lurk in the shadows of the trees? Have you been afraid to venture out on your own? Join the Chamber of Horrors, Inc. for "Terror in the Woods II: The Sequel," and let the nightmares begin!

Take a guided tour through the haunted forest of Bowen Lane Stables. Meet the things that nightmares are made of on Saturday, October 23 and 30 from 6:30 to 11:00 pm, and Sunday, October 24 (the full moon!) from 6:30 to 10:00 pm. Admissions is $5 for adults and $2 for children under 12. Refreshments and glow-necklaces will be on sale in the indoor waiting area. Due to the nature of the event, tours will not begin until dusk.

The Chamber of Horrors, Inc. is still seeking volunteers to assist with all areas of operation: helping to haunt the woods, sell tickets, assist with concession sales, security, walk leaders and guides. Volunteers need not have any experience and will be coached as necessary.

Non-profit groups are also encouraged to get involved. Eligible groups can receive a donation from the proceeds of "Terror II" if any of their members assist as volunteers. Interested non-profit and community groups may also be eligible to set up informational or fund-raising booths in the indoor waiting area. Fund-raising and/or informational items are subject to approval.

To help raise money for this year's event, a raffle is currently underway. Prizes include a $100 cashier's check, a $25 Wal-Mart certificate (provided by Wal-Mart of Fairhaven), and a cycling helmet (provided by Yesteryear Cyclery). Raffle tickets are $1 per chance or 6 for $5.

For more information or to contact The Chamber of Horrors, Inc., please call 979-1257, or write P.O. Box 214, Fairhaven, MA 02719. You can also visit them online at http://www.inergy.com/horrorsinc.

Mattapoisett Selectmen's Meeting

October 19, 1999

By Kenneth J. Souza

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, October 19 at 7:00 pm by Chairman Paul Lambalot. Also present were Selectman Barry Denham, Selectman Ray Andrews, and Executive Secretary Carol Adams.

After approving the minutes of the October 12 meeting, the board signed and approved a Memorandum of Agreement with the Massachusetts Highway Department for state aid highway work in Mattapoisett. The first of two allocations of $54,194.63 will provide 100 percent reimbursement under Chapter 90 for roads located on the State.Primary System.

At 7:10 pm the board met briefly with Joseph Slattery, their representative to the regional emPOWERment group, for an update. Mr. Slattery advised that back in July they received a proposal for consulting services from Select Energy and their agreement with the firm is now undergoing a third revision. The firm will be paid a $100,000 fee which will be assessed to all rate payers in the participating eight towns. This will result in finding the cheapest electrical service for the regional municipalities.

"To the average rate payer, it won't represent a great deal of savings," Mr. Slattery said. "The most costly part of the bill is the regulated portion. Chances are the towns will be paying the bulk of that because they're the biggest users."

Mr. Slattery requested permission from the

Selectmen to sign the agreement on behalf of the town, which was unanimously motioned by the board.

Selectman Andrews then updated his fellow board members on the meeting he attended last week with representatives from St. Luke's Hospital, the Town of Acushnet, and the Town of Rochester regarding the future of paramedic service to the area. "We received a letter from Fairhaven advising ... they would be establishing a paramedic service," he said. "Mattapoisett, Rochester and Acushnet have not desire to participate in any paramedic service that is controlled by any one town. We still feel St. Luke's is the best way to operate."

Selectman Andrews explained that the hospital would be willing to carry on paramedic service and take over the "bundled billing," which would guarantee an 84 to 86 percent reimbursement from Medicare. If the towns' billed directly, they would only receive 60 to 64 percent reimbursement from Medicare.

"We're asking that residents write letters to the Trustees of St. Luke's Hospital, to convince them that this service is needed ... and is an obligation to area residents," Selectman Andrews said. "We'll (also) need to locate a paramedic vehicle east of the Acushnet River. Right now, there is only one which is in questionable condition. We have paramedics with an average of 17 years' worth of experience."

"We have a good service now," Selectman Denham agreed. "Our concern is if one town handles it, it could become a matter of fulfilling the needs of their community first. There are 60 communities in Massachusetts which are

serviced by hospital-based paramedic services ... and all run at a profit. We're much too small, even as a group, to start our own regional paramedic service."

"In 1994, St. Luke's Hospital ceased billing for paramedic services and didn't let us know," Chairman Lambalot said. "So they've been operating at a deficit for the last five years. If they had let us known, we could have avoided this."

At 7:30 pm the board met with Jim Doherty, Peter Foster, and Kenneth Pacheco of the Marine Advisory Board (MAB) subcommittee to discuss suggestions for the concession stand at the Town Wharf. Although occupied solely by the Ice Cream Slip in past years, recently the board was approached by another vendor to rent space at the location. The subcommittee was formed to look into

establishing policy and procedure for future potential renters.

"We've reviewed various contracts with other towns and we looked at the past contract with the Ice Cream Slip," said Mr. Doherty. "We've come up with some suggestions for consideration."

The subcommittee suggested that the space be leased out to a vendor through a bidding process which would guarantee them the location for two years. The minimum bid would be $1,500. A request for bids would be issued on January 15, with the deadline set for March 30. The bid would be awarded to the vendor on or before April 15, at which time 50 percent of the rental fee would be due within 10 days of acceptance. The committee members also suggested the vendor sign a non-collusion agreement, submit a sample menu with pricing, and restrict containers to paper and/or plastic to avoid glass on the wharf.

Both the board and committee members also wrestled with allowing food preparation at the location, and discussed how that would require additional services like water and sewerage, and input from the Board of Health.

"If we allowed food preparation within the conveyance, it would have to be inspected by the Board of Health," Selectman Denham said. "They would have to comply with all restaurant codes and regulations."

Selectman Denham felt they should get input from residents as to what type of establishment they'd prefer to see at the location — gauge if it would be acceptable to allow a larger conveyance or trailer-type unit in the wharf area. "I think we should let it sit for a couple of weeks and get some

public input," he said. "Then we can sit down in November and talk about it again."

"I think the Ice Cream Slip we have (now) is charming," added Town Clerk Lois Ennis. "I wouldn't want to see a big, shiny Airstream down (at the wharf)."

In other matters, the board:

• Asked the members of the Marine Advisory Board to analyze the town's current Harbormaster's position and see if it's feasible to continue with a part-time person, or increase the position to full-time. "I'd like (the board) to investigate the pros and cons and get back to us," Selectman Andrews said.

ANTIFREEZE POISONING

My dog was in the garage with me as I was changing the antifreeze in my car. He sniffed the old antifreeze and was going to drink it. I stopped him. Would it make him sick?

Antifreeze (Ethylene glycol) has a sweet smell that is, unfortunately, attractive to dogs. It can cause kidney failure if the dog is not treated within 4-6 hours after drinking this poison. If you see your dog or cat drinking antifreeze, take him to your veterinarian immediately.

• Unanimously voted to allow package stores in Mattapoisett to remain open, at their own discretion, on Sundays beginning Sunday, November 21 and continuing through Sunday, December 26.

• Agreed to schedule a preliminary meeting with the Mattapoisett Police Brotherhood in Executive Session on Tuesday, November 2 at 7:30 pm to begin contract negotiations for next fiscal year.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:44 pm.

After the approving treasury warrants #16B and #17 and payroll warrant #16, the board met with members of the Planning Board to consider a new member to fill the opening in the wake of Ted Pratt's recent resignation. At 7:06 pm members Jay Crowley, Bob Bennett, Ted Pratt and William Koss met with the board to discuss their choice for nominee as a result of four interviews held last week.

Chairman Schaefer reported: "Each person came in with wonderful credentials and good strengths and they all could add to the Planning Board in their own way. This is a hard decision to make and each one indicated that with the understanding that only one person could be chosen to fill the opening they are more than happy to make themselves available to serve the town in other capacities if needed."

Mr. Bennett informed the board that they decided to nominate Brad Gordon for the position and they, too, share Chairman Schaefer's opinion. Chairman Schaefer informed everyone that Mr. Gordon is an attorney and has experience with land use and value and will be an asset to the town.

"Ted (Pratt) will be missed," Selectman Winters said. "He has given to the town in many areas and has been a great value."

"I want to thank the board for their kind and generous letter and I will miss the town and have been happy to be involved and will certainly come back from time to time," Mr. Pratt said.

Chairman Schaefer reviewed incoming correspondence for the week and discussed the following items:

• The Water Rate Study Committee submitted a letter outlining their review of the expenditures of the Water and Sewer Divisions of the Department of Public Works. Due to a shift in manpower within the division, the water/sewer debt and the proposed sewer debt, based on the proposed $1,235,000 request for improvements at the wastewater treatment plant, they made recommendations to "reduce metered water rates from $19.70 per $1,000 cubic feet to $18.70 per 1,000 cubic feet and increase metered sewer base rates from $15 per 1,000 cubic feet to $20 per 1,000 cubic feet and sewer in excess of 10,000 cubic feet to be changed from $24 per cubic feet to $45 per 1,000 cubic feet."
Mr. Pickles asked the board to postpone their vote until October 26 to await the outcome of the vote at the Special Town Meeting.

At 7:30 pm the board met with Town Clerk/Town Treasurer/Tax Collector Debra M. Blanchette for the signing of a $500,000 bond for the December 1 special borrowing for the school's loan renewal at the rate of 3.98 percent.

In other business, Mr. Pickles asked the board to sign the contract for the work being done at Sippican School at a rate of $1,200 per week.

Resident Robert Nunes appeared before the board to present a petition signed by town citizens to recommend that James Nolan, a current sergeant with the Marion Police Department, be nominated as new police chief in the wake of Brian Scott's impending retirement.

According to Chairman Schaefer, the open position for Marion Police Chief was posted and advertised and 41 applications have been received for the position, as the deadline for submissions has just passed.

After reviewing articles on next week's October 25 Special Town Meeting warrant, the board unanimously voted to adjourn for the evening at 8:05 pm.

Rochester Selectmen's Meeting

October 18, 1999

By Kenneth J. Souza

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, October 18 at 7:00 pm by Chairman Richard Cutler. Also present were Selectman Naida Parker, Selectman Patricia Ryan, Town Administrator James Huntoon, and Administrative Assistant Veronica Lafreniere.

The board first went into Executive Session with Officer William Watson of the Rochester Police Brotherhood and Police Chief Walter Denham for a grievance hearing. They returned to open session at 7:33 pm and considered a request from Officer Watson to increase the number of allowed "shift swaps" per week within the Police Department from three to four.

According to Officer Watson, when he last met with the board and Police Chief they came to an agreement to allow shift swaps and it was his understanding that these swaps would be limited to patrolmen only. "There have been swaps which have been allowed between the sergeants and patrolmen," he said. "If that's going to be the case, we'd like to have another shift swap (per week)."

Chief Denham expressed his disapproval of shift swapping in general, but did agree to allow it as per their last discussion. "We came to an agreement, but I'm not in favor of increasing the number of shift swaps," he said. "If the sergeants want to swap with patrolmen, that's okay — but I want a letter from the Police Brotherhood saying they agree to not receive additional compensation (for those shifts)."

Officer Watson, as the representative of the Rochester Police Brotherhood, said this was the first time he heard of Chief Denham's request for written approval. Chief Denham said he asked the sergeant to pass this information along to the union.

"With the exception of the chief, everyone who works for the Police Department falls under the union," Selectman Ryan said. "I asked the last time if the sergeants would be included in the shift swapping ... I don't have a problem with a sergeant swapping with a

patrolman. Currently, we have nine employees working five shifts each — that's 45 shifts per week. So we're saying we allow three out of 45 shift swaps per week."

Chief Denham said there hasn't been a problem with the shift swapping thus far, and he has no objection to allowing the sergeants to swap with the patrolmen. "A sergeant came to me and asked to swap with a patrolman," Chief Denham said. "I balked at first, but I agreed to it and asked for something in writing from the Brotherhood."

"If you're not have a problem, do we need to fix it now?" Selectman Ryan asked.

"I think if it looks like there's a big demand for shift swapping, we can revisit this issue," Chairman Cutler agreed. "Shift swapping is nice if we can do it ... but I don't want to see it get out of hand." With that, the board agreed to maintain the status quo of shift swapping and limit them to a maximum of three per week.

Under the Town Administrator's report, Mr. Huntoon said they would reschedule interviews with five prospective candidates for the position of Town Planner

from October 26 to October 28 at 7:00 pm. The board would allocate about 20 minutes to interview each candidate.

Mr. Huntoon also noted that the firm of Brown and Barrett of New Bedford has been selected to conduct the town's audit for Fiscal Year 1999 at a cost of $13,000. As such, there is an article on next week's Special Town Meeting warrant to increase the Selectmen's line item for this purpose from $10,000 to $15,000 to cover the additional cost. The audit should begin sometime in April, 2000.

Mr. Huntoon also reminded everyone that the Special Town Meeting will take place next Monday, October 25 at 7:30 pm in the auditorium of Memorial School. The board would also meet before the Town Meeting at 6:30 pm in the school auditorium.

After unanimously approving the minutes of the October 12 meeting with some clarifications, the board signed and approved Employee Action Forms for Cari Martin and Jason O'Connor, two newly-hired dispatchers with the Communications Department. Chairman Cutler questioned the rate of pay for the positions and wanted to know why it wasn't current minimum wage. He asked that they check on the pay rate before finalizing the paperwork. The board also signed and authorized the release of Chapter 53 funds from the Massachusetts Highway Department in the amount of $74,222.51.

• Memo from Fire Chief Scott Ashworth detailing the Fire Department's use of Annie Maxim funds from last year. Chief Ashworth said the money was used to purchase a new fire radio for one of the ambulances and also some fire prevention material used during Fire Prevention Week at Memorial School. This year he plans to use some of the money for an ultra-high radio frequency repeater and portable radio. Mr. Huntoon said Chief Ashworth has been the only department head to respond thus far to the board's request for a breakdown of fund use. "Sounds like an excellent use of Annie Maxim funds," Chairman Cutler said.

• Payment in lieu of taxes from SEMASS in the amount of $178,565 representing 78,839 tons of trash collected during the month of September, 1999.

• Notice from the Massachusetts Department of Housing and Community Development that the Town of Rochester's application for grant funding for the senior center was not approved. This was an extremely competitive grant round in which 22 applications were submitted totalling over $10 million. "They told us if all the (application) criteria is not met, they won't even read it," Selectman Ryan said. Chairman Cutler suggested that they may have to do some lobbying with local legislators the next time they apply for such funding. "We're learning as we go," he said.

Selectman Ryan then updated her fellow board members on the situation with St. Luke's Hospital's Paramedic Service. She attended a meeting with representative from St. Luke's, Acushnet, and Mattapoisett last week, and noted that the Town of Fairhaven has decided to go off on their own and set up their own Paramedic Service.

"We understand it will take them at least two years to be up and running," Selectman Ryan said. "St.

Luke's is willing to continue service as-is if the communities will allow them to bill or pay the actual cost for (paramedic) service. The budget they are going to give us will be for the paramedic service, but not any administrative costs. The three towns felt it was important to proceed with the assumption that Fairhaven and New Bedford will go off on their own. If we wanted to provide our own paramedic service, we'd have to regionalize anyway, because there's not enough volume in any one town to warrant its own service."

Chairman Cutler advised that the emPOWERment group is making some last-minute changes to the group's compact agreement and Fairhaven will foot the bill for legal services this time around. "It looks like we're close to signing," he said.

The board also noted they need to fill a vacancy on the Planning Board. Georgia Chamberlain advised that a prospective candidate came to their last meeting with a copy of his resume. "He seems qualified and we'd like to have a new face on the board," she said.

Chairman Cutler asked that representatives from

which he has become associated. Mr. Richard's fame has increased tenfold since making the jump from education to performance, especially within the past couple of years while performing nightly at the Roadhouse Cafe in Hyannis.

After a brief intermission, the featured performer, nationally-renowned pianist Ken Manzer, will perform the second half of the show. Mr. Manzer, who recently retired from the faculty at Westfield State College, has been in great demand as a performing musician since the early sixties. He is best known in Southeastern Massachusetts for his many summers on the Cape at the Deacon's Perch and more recently at the Bishop's Terrace.

The concert will be FREE to all those with personal invitations being distributed to contributors to the piano fund. For information please contact high school music director Steve Rogers at 758-3745 or Old Rochester Regional High School, 135 Marion Road, Mattapoisett, MA 02739.

Friends of Old Rochester Music (FORM) last year kicked off a fund-raising project for the purchase of the piano after the School Committee allocated the initial $8,000. Through the year-long project, the music parents raised another $1,200 to assure delivery of the piano by the start of school in September, however they are continuing to work hard in search of the last 1,000 to complete the sale. Donations can be sent to ORR High School, payable to "FORM" via Mr. Rogers' mailbox at the school.

Quit Smoking in Acushnet

Many smokers who are already anticipating the annual Great American Smokeout on November 18 can take advantage of a free Quit Smoking Series which started on October 20. This program offers a three-session support group called "Independence from Tobacco" to be held on October 27 and November 3 at Ford Middle School in Acushnet from 6:30 pm to 8:30 pm. The group will be followed by three free Hypnotherapy Programs on November 12, 15 and 19 from 6:30 to 8:30 pm.

The Hypnotherapy Sessions will be conducted by Joan Hansen, Certified Clinical Hypnotherapist. Joan will conduct each hypnotherapy session which will include behavior modification and hypnosis with guided imagery. Ms. Hansen, an ex-smoker herself, helps participants identify why they smoke and strategies for dealing with nicotine withdrawal and common smoking triggers. She imparts unique nutrition information and relaxation techniques that are extremely helpful in the quitting process.

"This is the first time we've offered three Hypnotherapy Sessions in one series," said Judith Coykendall, PACT Program Director. Ms. Coykendall explained: "The PACT Program is collaborating in this effort with the Acushnet Public School Health Advisory Council and the Center for Health and Human Services Smoking Cessation Program to make this program available to all smokers at no cost. In this way, we can

REPEAT SHOWINGS

Once you have listed your home for sale with our agency, you can expect a flurry of showings. All agent-assisted showings should be by appointment, but it is better if you can arrange to be out while the property is being shown. If not, try to stay in one room and do not follow the agent, pointing out selling points as you go. This makes everyone uncomfortable.

If our agent schedules a REPEAT showing to a very interested party, it is even more advantageous for you to leave the property. Repeat showings usually precede an offer, but they are long. The buyers often tour round and round the house several times, re-entering rooms and imagining the placement of their furniture. They're apt to measure windows, climb into attics, test plumbing, and poke into corners of closets.

It's important that the prospects be able to take their time and do a thorough job without feeling that they are imposing on your privacy. If there are any questions, you can be sure that we'll call you -- probably with an offer.

Rochester Journal Submissions

Do you have stories to tell about growing up in Rochester or about an interesting Rochester person, place or thing? Do you have artwork or photographs you'd like to share? Do you have a poem you've written, or a memory that needs to be written down?

Many residents have purchased copies of the *Rochester Journal: Diary of a Hometown*, and read the unique stories and memories that a number of people shared with them. The Friends of the Plumb Library are in the process of putting together volume two of the *Rochester Journal*. They are hoping to publish this volume in the spring, to coincide with the town's millennium celebration.

Please send your submissions as soon as you can. They will accept any time of material from adults, children, and young adults. They would particularly like to include more artwork and photographs, either of present-day Rochester or Rochester of yesteryear.

If you have stories to share but don't know where to begin, please contact Lucy Loomis at the Plumb Library at 763-8600 and she can work with you to get them down on paper. Each citizen's unique viewpoint is what makes the town so interesting and vital.

The deadline for submissions is December 31, 1999 ... but don't wait! Get your submissions in as soon as possible so they can begin working on this next volume of hometown memories.

Fairhaven Historical Society

On Sunday afternoon, October 24 at 2:00 pm at the Seaport Inn on Route 6 in Fairhaven, the Fairhaven Historical Society is planning a special meeting for members and guests on "Painting After Death: Obsession, Possession, or Fabrication?" The program will explore the nationally-famous Thompson-Gifford case which baffled and intrigued parapsychologists early in this century and brought nationally-known artist R. Swain Gifford and unknown and unsuccessful artist Frederic L. Thompson into the national spotlight.

The program will feature Joanne D.S. McMahon, PhD, who has long been fascinated by the questions raised by this sensational and famous case. Mr. Thompson, who became acquainted with Mr. Gifford, claimed that he became possessed by Mr. Gifford after his death. He began to paint in Gifford's style and the notoriety which his claim and the case generated made

him fairly successful. At the same time, many questions were raised as to the truth of his claim. Dr. McMahon will put forward for review the questions which the case raised and explore the possible answers. She will discuss other incidents of alleged possession and there will be ample opportunity to ask questions at the end of the formal presentation.

"Whether you are a believer in psychic phenomena or whether you view it all with a grain of salt, you are sure to find Dr. McMahon's questions, answers, lively comments, and conclusions fascinating," promises Laura F. Knipe, Fairhaven Historical Society President.

Dr. McMahon is well-known in the field of parapsychology. She has an MA from J.F. Kennedy University (Orlando, CA) and a PhD from Saybrook Institute (San Francisco, CA). Her primary focus centers on extensive research into the areas of survival of bodily death, the afterlife, and the dying process. This focused approach led her to explore the subject from various perspectives. She is the author of numerous publications including a recent work, *Shopping for Miracles: A Guide to*

ORR Student Commended

Principal James R. Egan of Old Rochester Regional High School has announced that Bethany E. Dutra has been named a Commended Student in the year 2000 National Merit Scholarship Program. A Letter of Commendation from the school and National Merit Scholarship Corporation (NMSC), which conducts the program, will be presented by the principal to this scholastically-talented senior.

Some 34,000 Commended Students throughout the nation are being recognized for their exceptional academic promise. Although they will not continue in the competition for Merit Scholarship awards to be offered next spring, Commended Students placed among the top five percent of more than one million students who entered the year 2000 Merit Program by taking the 1998 Preliminary SAT/National Merit Scholarship Qualifying Test.

Baskets containing a turkey, stuffing, cranberry sauce, and vegetables will be available for pick up at the Wareham Town Hall during the late morning and early afternoon of Tuesday, November 23.

Residents of Marion, Onset, Buzzards Bay, Rochester, and Wareham may apply for a basket by calling CRN at 295-0080 beginning November 1.

Volunteers are welcome to help prepare baskets and carry them out to recipients' cars. Work will start at 8:00 am on Tuesday, November 23 in the Wareham Town Hall auditorium.

In addition to its Thanksgiving basket program, CRN's services include assistance to those in need of food, furniture, and fuel. CRN also has an Extended Help program which provides one-time, short-term assistance with living costs. CRN's motto is "Give and We'll Share."

Movie Review

Sucker Punch

BY ROB GONSALVES
local@wanderer.com

■ ***Fight Club.*** **Starring Brad Pitt and Edward Norton. Directed by David Fincher. Running time: 139 minutes. MPAA rating: R. At Cinema 12 at the North Dartmouth Mall and Flagship Cinemas in New Bedford.**

In *Fight Club*, the self-consciously "daring" new adaptation of Chuck Palahniuk's excellent cult novel, men assemble and pound one another in dank basements; they spit blood and teeth and then return for more next week. When this isn't enough for them, they wage war on our consumerist culture with media-friendly, attention-getting pranks that escalate into mass destruction. I bought all this in the book, because Palahniuk's fevered first-person narration puts you inside the exhausted rage of powerless young men who are sick of it all. A movie, however, can be a delicate animal, and this one begins boldly and gradually dies.

What happened? The screenplay, by first-timer Jim Uhls, is pretty loyal to the novel; the Narrator, a nameless corporate drudge played by Edward Norton, delivers many of the book's best lines in sarcastic voice-over. But — and here I must step very lightly in order to avoid major spoilers — what worked on the page, especially the credibility-stretching plot twist, comes off labored on the screen. Readers of the book may sit there wondering how director David Fincher (*Se7en*) will sustain the illusion from scene to scene. Newcomers, in turn, may wonder why many of the scenes are so stilted, with characters entering and exiting as in a screwball play. And when the surprise is sprung, nobody in the audience so much as gasps.

Fincher zeroes in on the dark heart of whatever material he's given, and in *Fight Club* his camera burrows around in modern anxiety like a cyberworm munching holes through web pages of narrative. The show-offy tone at the start — whee, let the ride begin! — provides some prickly fun for about the first twenty minutes. And when the sad-sack Narrator meets his future guru — Tyler Durden (Brad Pitt), glorious Zen master of chaos — the unstable interaction between Pitt (who's quite effective) and Norton (who's unusually dull when he doesn't have Pitt to play off) prepares us for a new, stark kind of millennial buddy movie. Tyler and his new disciple start Fight Club, where men savage each other all night; they move in together and live cheerfully in squalor like a couple of college freshmen.

But then, inevitably and sadly, *Fight Club* begins to lose steam. We watch the sweaty, half-naked men grapple in rabid ecstasies of blood and torn flesh, and it looks like nothing we'd want to try. (Pundits worried about copycat fight clubs can relax.) We watch the three leads — rounded out by Marla (Helena Bonham Carter, wasted here), a morbid dark flower who beds Tyler — and they hardly seem like functioning persons. When Tyler's faceless fight-clubbers graduate into black-clad terrorists making soap and nitroglycerin out of human fat, we wonder why nobody ever notices what's going on. The satirical metaphor of the book is flattened out, made literal, by the frame-by-frame realism of a movie; Fincher exhausts his tricks early on, and he poops out.

Certain images, certain surrealistically funny bits of business, occasionally made me think "I *have* to buy this on DVD," which is in hilarious counterpoint to the anti-consumerist message the movie is selling. Reading the book, I wasn't thinking about DVDs. Palahniuk made you ponder the lost masculinity of a generation, the ease with which a charismatic brute like Tyler can assemble disgruntled men and unite them in chaos.

The book is a modern horror story about how populist fascism can flourish here, and about why this is the perfect time for it. (The detail of soap made of human fat is no accident.) The movie, unfortunately, is a stylish blank, a countercultural advertisement just as slick as the ads it claims to disdain. The last reel, which departs from the book and gives us movie-ish thrills we've seen a hundred times before, is about as saddening a commentary on Hollywood as any I've witnessed. What's even sadder is that those involved with *Fight Club* think they've made something scathing and radical, and that some viewers might agree with them.

This Week's Horoscope

by Linda Black

Aries (March 21-April 19). Stop worrying about an old project. You can get it done. You'll be hot to trot. It'll be easy to lap the pack.

Taurus (April 20-May 20). Your life should get easier, as a partner comes to your rescue. Get together with friends and figure out who'll do what.

Gemini (May 21-June 21). You've been lucky in love; now your workload's increasing. Play hard as a final fling. You could get a new assignment. Get it right.

Cancer (June 22-July 22). Your luck's improving. Get your place fixed up so you can entertain. Make a purchase. Travel and trade. You get more powerful soon, so don't worry.

Leo (July 23-Aug. 22). You've been learning, but now it's time to apply the lesson. Go along with a partner's suggestion. Travel could be complicated. Take care.

Virgo (Aug. 23-Sept. 22). There's plenty of work. Rake in the money. Look for the money. Don't let other people waste yours.

Libra (Sept. 23-Oct. 23). You've had it pretty good for the past few weeks; now it's time to get practical. Push for what you want. Work full time.

Scorpio (Oct. 24-Nov. 21). The sun's going into your sign — and not a moment too soon! Take it easy; bide your time. It'll be easier to get what you want soon.

Sagittarius (Nov. 22-Dec. 21). You and your friends will enjoy the first part of the week, but you'll need to get busy later. Take extra care of yourself. Travel beckons, but it could be more trouble than it's worth.

Capricorn (Dec. 22-Jan. 19). You've been taking care of business, and soon you'll have more time to play. These are good days for doing business and making money.

Aquarius (Jan. 20-Feb. 18). You've had it pretty good, but you'll have to put the brakes on soon. Play as much as possible. These are good days for counting your pennies.

Pisces (Feb. 19-March 20). Scurry around and get lots of work done. Take care of your money. Don't walk off and leave it somewhere.

If You're Having a Birthday This Week: Make a commitment this year and lock in your financial security. Put down roots and let love flourish. Creative work's your bane and blessing.

High School to get a taste of high school life.

The program will begin at 8:00 am and conclude at 10:15 am. Guests will be welcomed by Principal James Egan and student hosts. After breaking into small groups, visitors will have the opportunity to visit four classrooms and observe the classes in action. Teachers in each subject area have volunteered to have visitors in their rooms this year. Each visit will last fifteen minutes with a break for refreshments between visits two and three. The break will give visitors the opportunity to chat with student guides and ask questions about high school life.

"Visit Your High School" will give community members the opportunity to observe a rotating block schedule, varied learning and teaching styles, interactive learning, and new classroom technology. Participants in last year's program found it "well-planned and informative." Parents felt they had a better understanding of their child's day and that the program provided "positive communication between the school, home and community."

The staff at Old Rochester Regional High School is looking forward to seeing many more visitors at this year's "Visit Your High School" day on Wednesday, October 27.

Tri-Town Parenting Series

Three different parenting series will be offered to tri-town families beginning the last week in October with something for almost everyone. A new three-week parenting course — *1, 2, 3, 4 Parents* — will begin on Tuesday, October 26 in Mattapoisett. Judy Stone, certified parenting educator, will lead these sessions. Geared for parents of children from one to four years old, the classes will touch on typical developmental issues such as temper tantrums, parents' patience, and other behavior-related issues. This group will meet from 6:00 pm to 7:30 pm. Child care and light snacks will be offered. A fee of $10 will cover the cost of materials.

Two other popular courses which have been offered in the past will be repeated. *How to Talk So Kids Will Listen and Listen So Kids Will Talk* and *Siblings Without Rivalry* are both six-week courses. They have received very positive reviews by tri-town parents. Participants learn practical and usable strategies. The adults try out strategies learned and then have the opportunity to discuss the results in the next class. One participant said: "This should be a *required* course for parents."

These two courses will be offered evenings from 6:30 to 8:30 pm. A fee of $10 covers the cost of materials.

Marion Art Center

Watercolor Exhibit

An exhibition of watercolors by Nancy Fulton, Sue Patterson, and Bess Woodworth opens at the Marion Art Center on Sunday, October 24 with a reception to meet the artists from 4:00 to 6:00 pm.

Nancy Fulton is a graduate of Boston Architectural Center and, as a registered architect, has led the design on a variety of buildings. Before that, she was a certified gold and silver jeweler. For the past several years, she has dedicated more and more time to painting. The progression to becoming an artist seems to grow naturally out of her experience. Her paintings make use of her design, color and spatial skills.

Ms. Fulton is currently working on two series of paintings. One captures the mystery, light and forms of the ancient cliff dwellings in Mesa Verde, Colorado. The second series focuses on a sense of place: the color, form and light of Sicilian townscapes. Her work has bee shown in a number of exhibits. She was one of the artists selected for the 1999 New England Watercolor Society's Exhibition. She was accepted in juried shows at the Concord Art Association and the Newburyport Art Association. She received a blue ribbon award at the Reading Art Association 1999 Spring Show.

Sue Patterson lives in Dover, Massachusetts, and has been painting in oil and watercolor for seven years. She has studied at the Museum of Fine Arts in Boston under Judy Ryan and Joan Asquith, and has taken a number of workshops in the U.S. and Canada with Pamela Williams. She also studied watercolor with Nancy Howell, Charles Parsons, and Tim Clark. She is a member of the Poconoket Studio Club in Dover and travels with the group each summer to St. Thomas, Nanatucket, Maine, New Hampshire, and Marion to study the New England countryside.

Bess Woodworth won her first "first" in 1995 with a watercolor painting of a stone wall in Byfield, Massachusetts. She began with pastels, but soon switched to watercolors. She is a serious painter whose color is

vibrant and clear. She has shown her work at the art associations in Cambridge, Concord, Needham, and Wellesley. She has exhibited her work at the Hilles and Sackler Libraries in Radcliffe and at the Sherborn and Newton libraries. She has studied with several people at the Museum of Fine Arts in Boston, where she also conducts tours for children. The works at the MFA have influenced her paintings, yet her work is a reflection of her unique style.

The watercolor show will be on display through November 19. The Marion Art Center is located at the corner of Main and Pleasant Streets in Marion. The galleries are open to the public, Tuesday through Friday, 1:00 to 5:00 pm, and Saturday, 10:00 am to 2:00 pm. Admission is FREE.

McColl Exhibit

The Marion Art Center is presenting the paintings and drawings of Bruce McColl now through October 22. Mr. McColl will be exhibiting recent still-life, figure and landscape images in oil and pastel. The work on display reflects Mr. McColl's continued interest in "exploring the possibilities inherent in color to create strong sculptural and spatial dynamics." Contour drawing, therefore, is a strong organizing principle in all of Mr. McColl's boldly colored images. Although this artist is best known for his work in oil painting, this exhibition is remarkable for its presentation of eight large pastel drawings which demonstrate Mr. McColl's masterful use of line to stabilize color planes.

Mr. McColl is the Fine Arts Instructor at Tabor Academy in Marion. He has been the recipient of three studio residencies in the past two years, twice at the Vermont Studio Center and currently at ArtWorks in New Bedford. He has shown locally at Tabor Academy, the New Bedford Art Museum, and at the Donovan Gallery, and is represented by the David Klein Gallery in Michigan. He received his BA from Brown University and his MFA from Wayne State University in Detroit.

Marion Art Center hours are 1:00 to 5:00 pm Tuesday through Friday, and 10:00 am to 2:00 pm on Saturday. The Art Center is located on Main Street in Marion. For more information, please call Wendy Bidstrup at 748-1266.
